FOLLOW

11-Jun-2015

Crazy Diamond is the sofa to be "experienced" as it is characterised by a back movement allowing two positions through a simple seat activation. Its versatility allows you to find the ideal position. The system comprises several units to create multiple combinations with a strong visual impact; the movement is also available on arm sides, allowing utmost comfort and flexibility.

Crazy Diamond will become the main character of every environment like the most precious gem. Think. Dream. Love. Live! On Crazy Diamond.
